## SQUISHABLE MINIMUM ADVERTISED PRICE POLICY

### Summary

Squishable.com, Inc. ("Squishable") may unilaterally set Minimum Advertised Price (MAP) on any and all products offered by any means of solicitation, including but not limited to any electronic or print means, such as telephone, facsimile, internet web site, on-line service, newspaper, magazine, newsletter, direct mail or similar means. MAP does not in any way restrict the actual price for which the Dealer may sell the products, nor does it restrict price quotes sent in reply to written solicitations. Dealer must contact Squishable in advance for permission to publish promotional prices that are not in compliance with MAP as established by Squishable.

### Policy Terms

Squishable has unilaterally adopted this Minimum Advertised Price Policy ("MAP Policy") on selected products, which shall apply to distributors and retailers, including catalogs and internet retailers, (collectively, "Resellers") who resell Squishable products to end users located in the U. S. Squishable has adopted this MAP Policy to preserve its strong reputation for providing customers with high value products. Squishable greatly values and appreciates the efforts of all Resellers to distribute Squishable products.

The MAP Policy shall work under the following guidelines:

1. The MAP Policy shall apply to the Squishable products listed on the *MAP Product Guide* at the end of this document. MAP pricing is established by Squishable for selected products and may be adjusted by Squishable at any time at its sole discretion.
2. The MAP Policy applies to all advertisements and/or other listings of selected Squishable products in any and all media, including, without limitation, flyers, posters, coupons, mailers, inserts, newspapers, magazines, catalogs, mail order catalogs, Internet or similar electronic media including websites, apps, email newsletters, email solicitations, television, radio, and public signage. The MAP policy is not applicable to any in-store advertising that is displayed only in the store and not distributed to any customer. In-store displays, point-of-sale signs, hangtags or bar codes or similar marks on products or product packaging which merely state the price are not considered "advertising" for purposes of this MAP Policy. In that regard, this MAP Policy does not apply to the actual sales price on any "check-out page" of any Reseller's website or related internet site (typically the page at which the end user finally purchases the product). This MAP Policy does apply to any other page(s) on the Reseller's website.
3. If pricing is displayed, any strike-through of the MAP, 'reduced price' or 'sale' language, price comparisons or percentage deduction citing the MAP, or any other alteration of the MAP is prohibited.
4. The MAP Policy applies only to advertised prices and does not apply to the price at which the products are actually sold or offered for sale to an individual consumer within the Resellers retail location or over the telephone. Squishable resellers remain free to sell the selected MAP products at any prices they elect.
5. The MAP Policy does not establish maximum advertised prices. All Resellers may offer Squishable products at any price in excess of the MAP established for such products. Internet auctions may not display or have reserved bid or other pre-accepted or preapproved prices below the MAP price.

6. The MAP Policy does not in any way limit the ability of any dealer to advertise that “they have the lowest prices” or, they “will meet or beat any competitor’s price,” that consumers should “call for a price” or phrases of similar import as long as the price advertised or listed for the products is not less than MAP.
7. From time to time, Squishable may instigate promotions for products covered by the MAP Policy because the products are being discontinued or because they are just being released. In such events, Squishable reserves the right to modify or suspend the MAP with respect to the affected products by notifying any or all Resellers of such a change. Squishable further reserves the right to adjust the MAP with respect to all or certain products at its sole discretion upon 7 day advanced written notice to Resellers provided that such changes shall apply equally to all Resellers.
8. In cases of violation of the MAP Policy, Resellers will be allowed twenty-four (24) hours to bring advertising into compliance or Squishable, at its sole discretion, may cease supplying products to the Reseller and/or terminate all existing orders from Squishable to the Reseller. Squishable is not required provide prior notice or issue warning before taking action under this policy or terminating its relationship with any Reseller for any reason.
9. This MAP Policy is solely Squishable’s decision and responsibility. No employee or sales representative of Squishable has any authority to discuss or modify this policy; any action of any person which attempts to modify this policy or to solicit or obtain the agreement of any person to the policy, is unauthorized and invalid. Any questions about this policy should be in writing and directed to Aaron Glazer, President, Squishable.com, Inc., 580 Broadway, suite 607; New York, NY 10012, [aaron@squishable.com](mailto:aaron@squishable.com). No oral communications by Resellers about this policy are authorized, unless initiated by Aaron Glazer. The foregoing MAP Policy and any MAP Product Guide is subject to modification or discontinuance by Squishable.com, Inc., in its sole and absolute discretion, at any time. Any action taken by Squishable.com, Inc. under this policy shall be without liability to Squishable.com, Inc.
10. Distributors of Squishable products will supply a copy of the SQUISHABLE MINIMUM ADVERTISED PRICE POLICY to any new or existing retail Reseller prior to the completion of an Order Form. The Order Form shall be signed and returned to Squishable.com, Inc., and in doing so, will bind the Reseller to abide by the MAP Policy and Reseller requirements spelled out in this document.

*This policy was last revised January 6<sup>th</sup>, 2022*

#### **MAP Policy Affirmation**

I understand the above MAP Policy and I agree to list prices and charge my customers no less than the prices listed in this agreement and in all future updates that I receive.
